## What is IPPI

### **IPPI stands for Independent Physicians and Providers of Illinois**

We are a group of independent physicians and providers who come together to facilitate each other to remain independent and to provide optimal care for all patients.

## Who can join

Any independent physician and provider can feel free to apply to the board of directors for consideration for membership.

## What is the cost of joining

For physicians (MD/DO) to join as a member and having voting rights the cost is \$500 per year and for physicians to join as a physician associate member without voting rights is \$250 per year.

For all other providers the cost is \$250 per year.

## What are the benefits of joining

The benefits of joining include listing on the website and directory and association with like minded independent physicians to share ideas of how to facilitate each other to remain independent thru sharing of what helps us be a success.

## How do you join

Simply complete and submit the membership form and we will be in contact with you.

## Who governs IPPI

The board of directors with the voting members.

## Who manages IPPI

Each member of the board of directors has a different task to facilitate and manage the organization.

## What is your role as a member

To support your fellow independent physicians and providers and to remain active and supportive of the organization by spreading the word, being available for referrals and consults, sharing best practices and tips to facilitate our independence. This organization will only be as strong and successful as its members.

## Does IPPI have rules and regulations

We do and these are outlined in our operating agreement which serves as our founding principles/constitution.

## What is our mission and vision

These are defined more in detail under our mission statement but briefly our mission is to facilitate fellow independents helping them remain independent and our vision is to be the premier organization to do this.

## What is your role as a member

To support your fellow independent physicians and providers and to remain active and supportive of the organization by spreading the word, being available for referrals and consults, sharing best practices and tips to facilitate our independence. This organization will only be as strong and successful as its members.
